Video of the Demo and technical explanations of our project
"The Job Intelligence Engine"

We created two videos to explain our project technically and provide a comprehensive walkthrough of our pipeline. Since both the recordings exceeded 25 MB, it wasn't possible for us to directly upload them to the GitHub folders. Therefore, we uploaded our videos to Google Drive and shared the link here for your comments and viewing purposes.

Demo of our project:

https://drive.google.com/drive/u/0/folders/1MvyxDLKA6w_Uy80WZ4RwSoSS5oIzQ3F1

Technical Explanations:
